

AGENT WEBSITES

Hawaii Information Service Website Packages

Statistics show that the number of internet buyers is increasing, while the number of traditional buyers is decreasing. These internet homebuyers are younger and purchasing more expensive homes than other homebuyers!

All websites include:

- Custom Graphic Design (Fast-Track is Template Design)
- Search Engine of all MLS Listings (IDX)
- Free monthly text changes to your site
- Domain name registration
- Website Hosting

All Websites give homebuyers 24 X 7 access to your contact information, MLS listing, consumer real estate information, and so much more!

Call 1-800-628-3121 for details or access
